GOLF SPECIALTY

Format: Chipping/Putting/Pitching

1. You will have two rounds of three attempts for the Chipping and Putting skills and one round of three attempts for the Pitching skills to obtain your best effort.
2. The score for each skill will be determined by the distance from the hole.
3. A scaled score sheet will be used to obtain a single score for each skill. A final score for the event will be the total of the three individual scores.
3. The Pitching Event: Hole 18; approximately 100 yards will be used for this event. All Women and Men 75+ will use the women's tee.
