Softball Skills (Men and Women divisions)

Format: The competition in this event will be among five-year age groups and will test the following four skills in softball:

1. Pitching. You will pitch a softball ten times from the pitching mound attempting to hit home plate. Your score will reflect the number of hits.
2. Hitting. You will have five attempts to hit a softball for distance. You will select your own pitcher and will be given ten pitches to make the five attempts.
3. Throwing. You will have five attempts to throw a softball for distance.
4. Running. You will be timed in running the bases from home plate to second base.

Scaled scores from the four skills will give you a single score for the event.
