

Good Life Games Basketball Team Roster and Registration Form

The maximum number of names allowed on the roster for the 2012 games is 8, but you will only list the actual players. Do not list coaches or trainers unless they are also players. Age groups are 50-59, 60-64, 65-69, 70-74 and 75-79. Team registration fee is \$12.00/person for a three-member team and \$48.00/team for all others. Any player registered with a 3-on-3 team will be allowed to enter our morning shooting events without further charge beyond the regular team registration fee. Plan to participate in the morning shooting and treat it as a warm-up session for the afternoon games and you may also win a medal and establish some bragging rights for your efforts. All team members will be required to sign the Good Life Games Waiver on game day prior to the start of competition.
